

# DWELLING PLACE CHURCH

## VALUES

Our values are as easy as "ABC."

Authenticity // People are looking for what is real! We don't want to put on a facade or be unrealistic in what we do. We want to be genuine in our relationships and to the message of the Gospel, allowing the truth of God's Word to be the life that courses through the veins of everything we do.

Bridging Gaps // This is all about connection. The primary and most important gap we desire to see bridged is that of the sinner to the Savior. However, we won't stop there. We believe that there is unity in diversity and want to see people of all generations, races, and socioeconomic statuses come together.

Community // This value is two-fold. We want to create community where anyone can belong and become family. That's why our motto is "there's a place for you at Dwelling Place Church." We also value community in the sense of the local community we are a part of. It is important that we have a strong presence in our community and consistently serve to reach those around us.
